

## **Architectural Review Board**

All changes that affect the neighbor's view of your property are to be reviewed by the Architectural Review Board (ARB) prior to start of construction. Please refer to your governing documents.

This includes fences, satellite dishes, decks, major landscaping, exterior color changes, etc. Contact the ARB chairperson for information or procedures.

**Covenants and Restrictions** are now available on a CDROM from the HOA board. You should receive that CD with this package.
