COMMITTEE NEWS

Jeannie Grooms has volunteered to co-chair the social committee and will be the primary coordinator of children/family activities. She brings a lot of energy and new ideas to this position, thanks Jeannie for stepping up!

Get Involved

We are still in need of a clubhouse chair (and a couple of folks to serve on the committee). The clubhouse committee keeps the calendar for clubhouse rentals, takes care of getting the keys to renters, replacing burned out lightbulbs etc. Because rentals are relatively infrequent this is not a terribly time consuming position.

We are also in need of an interim secretary beginning in January 2010. I will be leaving this position due to the demands of an ever expanding family. I spend most of my time as secretary keeping the email list and neighborhood directory updated and making quarterly newsletters. This is a low-stress position and would be good for anyone who would like to make a contribution to the community but doesn't have a lot of time to devote. I'm more than happy to help someone get started, all you need is a computer and internet connection (so if you're reading this you're eligible!). If you're willing to help out, contact either Jenny Davis (davisjj1@cofc.edu) or Todd Dunagan (todd.dunagan@gmail.com).

HALLOWEEN BASH

The Nash's have graciously offered to host the neighborhood Halloween party again this year and if last year is any indication, it's sure to be a great time. The party will be held on Saturday October 31st at 406 Rhett Butler. Venison chili will be provided, please bring your own drinks and a dish to share. There will be jump castles for the kids and a haunted trail for kids and any of you adults who are brave enough. Festivities will begin at 4pm and last until trick-or-treat time. Volunteers are requested to help decorate/man the trail. If you're willing to volunteer contact Caroline Nash (nashsc@comcast.net) or Jeannie Grooms (groomsj@musc.edu).
